**Marketing period for the Moscow Exchange's fee rates
imposed on FX fix trades (restated version)**

1. The present document sets the rates of turnover (variable) part of fee imposed on FX fix trades on the Moscow Exchange FX Market applicable during the marketing period set in the present document.

During the marketing period, the Moscow Exchange fees per deals in foreign currency (hereinafter, the Fees) shall be applicable taking into account the rates of relevant fees set in the present document.

The procedure for fee charging is established according to the effective Fees.

2. During the marketing period, the turnover (variable) part of fee imposed on FX fix trades is set in the following size:

Fee package	Turnover (variable) part (the fee size charged on volume of each FX fix trade in quoted currency (%))
SPT_0	0.0002875%
SPT_1000	0.0002300%
SPT_2000	0.0001725%

3. The marketing period shall be from 02.09.2019 through 01.09.2020.

4. The fees specified in item 2 shall not apply to trades executed by the Clearing House on behalf of a Trading Member being also a Clearing Member at the same time (hereinafter, the Trading Member) due to insufficiency of the Trading Member's funds to settle obligations or due to insufficiency of Clearing House's funds to settle obligations of this Trading Member or claims from other Clearing Members, as well as trades executed by the Clearing House on behalf of the Trading Member to pay a margin call of this Trading Member or in the cross-default procedure with respect to this Trading Member.

5. A relevant authorized body of the Moscow Exchange can decide on early termination of the marketing period, its extension or changing the size of fee set in the present document.

6. As the marketing period is over, the present document loses its effect, and the turnover (variable) part of fee for FX fix trades shall be charged in the size indicated in the effective version of the Fees.
