Authorized Federal Executive Authority means the federal executive body for financial markets, the federal executive body for the securities market.

Clearing Participant means the Trading Member who is provided by the Clearing Organization with clearing services based on the agreement concluded with this Trading Member.

Trading Member means the legal entity included among the MICEX Stock Exchange Trading Members in accordance with the requirements hereof.

2. Terms not specifically determined in these Rules for Admission shall have the meanings defined in the laws and other regulatory legal acts of the Russian Federation (hereinafter – the RF), the Stock Exchange’s Articles of Association, Trading Rules and other internal documents of the Exchange , as well as the Clearing Rules and other Clearing Organization’s internal documents.

SECTION 02. GENERAL PROVISIONS

Article 02.01 Purpose of the Rules for Admission

1. The Rules for Admission have been elaborated in compliance with the laws other regulatory legal acts of the RF, the Stock Exchange's Articles of Association and other internal documents of the Stock Exchange.
2. The Rules for Admission shall determine the procedure for Candidates, the requirements to be imposed on the Trading Members, their rights and obligations, the procedure for the Trading Members and the Trading Members' Clients to be registered in the Trading System on the Stock Exchange, the disciplinary measures to be applied to the Trading Members, the procedure for admission, suspension and termination of admission of the Trading Members to trading, the procedure for exclusion from the Trading Members list, the types of payments to be made by the Trading Members, as well as the resolution procedure for the disputes and disagreements which may arise between the Stock Exchange and the Trading Member.
3. All the appendices hereto shall constitute an integral part of these Rules for Admission.

Article 02.02 Procedure for Amendment of the Rules for Admission

1. The Rules for Admission shall be approved by the Stock Exchange and registered by the authorized federal executive body. Their effective date shall be determined by the Stock Exchange.
2. Information on approval and coming into force of the Rules for Admission shall be disclosed on the website of the Stock Exchange at least five (5) business days prior to their effective date, unless other term is determined by the Stock Exchange.
3. Text of the Rules for Admission shall be disclosed on the website of the Stock Exchange within twelve (12) days upon registration by the authorized federal executive body of the Rules for Admission and at least five (5) business days prior to the effective date of the Rules for Admission with amendments hereto, unless other term is determined by the Stock Exchange.

Article 02.03 Procedure for Notification of the Trading Members

1. Information that is subject to provision in accordance herewith shall be notified to the Trading Members by means of sending of the information message in any of the following ways:
 - a) in electronic form through the Trading System;
 - b) in the form of an electronic document via email or using the SEDC;
 - c) in writing by post;
 - d) in writing by courier;
 - e) by disclosing information on the Stock Exchange website;
 - f) in any other way.
2. Day of notification of the Trading Member in case of provision of information under sub-clauses a), b), d) and e), clause 1 of this Article shall be the day when the information message is sent to such Member. Day of notification of the Trading Member in case of information provision under sub-clause c), clause 1 of this Article shall be the 7 (seventh) day following the day when the information message was sent.

3. If the Trading Member has been notified otherwise than in writing, then it may request in writing the information message.
4. Information messages in writing shall be sent to the addresses specified by the Trading Members in the registration card to be submitted by the Trading Member to the Stock Exchange in accordance with the Rules for Provision of Information and Statements.

Article 02.04 Procedure for Execution and Submission of Documents to the Stock Exchange by the Candidate/Trading Member

Unless these Rules for Admission stipulate otherwise, documents shall be executed and submitted to the Stock Exchange as follows:

1. Documents to be submitted by the Candidate/Trading Member to the Stock Exchange in accordance herewith shall be executed in paper form in the official language of the Russian Federation, signed by the authorized person of the company and certified by the company's seal. No erasures and corrections are allowed in such documents.
2. The following documents shall be submitted to the Stock Exchange by the Candidate/Trading Member in a single set before it submits any other documents (hereinafter - the "Documents To Be Submitted"):
 - a) document certifying that the person having signed the Documents To Be Submitted was duly empowered at the date of their submission to the Stock Exchange;
 - b) document containing the specimen signature of the person having signed the Documents To Be Submitted;
 - c) document containing the seal imprint of the Candidate/Trading Member valid at the date of submission of the documents to the Stock Exchange.
3. The Stock Exchange refuses to accept for consideration the Documents To Be Submitted from the Candidate/Trading Member in the following cases:
 - a) if the Stock Exchange has not received at least one of the documents specified in clause 2 of this article of the Rules for Admission;
 - b) incompleteness and/or non-conformity of the Documents To Be Submitted with the requirements established hereby for execution of documents.
4. In the cases specified in clause 3 of this article of the Rules for Admission the Candidate/Trading Member having submitted the documents is entitled:
 - a) to remove violations of the requirements established for execution and filing of documents. In this case the date of filing of the said documents shall be considered the date of submission of such documents after having removed all the violations, while these documents shall be considered one more time in accordance with the procedure established hereby;
 - b) to revoke the documents submitted to the Stock Exchange.

If within fifteen (15) business days upon submission by the Candidate/Trading Member to the Stock Exchange of the documents containing violations of the requirements for their execution and filing the above violations are not removed, or the documents required are not submitted by the Candidate/Trading Member, then upon expiration of the said period the Stock Exchange shall notify the Candidate/Trading Member according to the procedure established hereby on

its refusal to consider these documents.

5. Powers granted to the employee of the Candidate/Trading Member in accordance with the its constituent documents shall be proved by the certified signature of the authorized person and the extract from the minutes of the meeting of the Candidate's/Trading Member's authorized body certified by the Candidate's/Trading Member's seal (such extract shall contain the resolution to elect the sole executive body of the Candidate/Trading Member or to transfer the powers of the Candidate's/Trading Member's sole executive body to a management company or a manager), or the certified signature of the authorized person and a copy of the respective document on appointment of other persons entitled to act on behalf of the Candidate/Trading Member without a power of attorney certified by the Candidate's/Trading Member's seal.
6. Powers granted to a person on the basis of the power of attorney shall be proved by the original power of attorney or its certified copy. The power of attorney shall be certified, if it was issued under the signature of the person who was not the Candidate's/Trading Member's employee authorized to issue such power of attorney in accordance with the constituent documents and who acts on the basis of its own power of attorney. In this case there shall also be submitted the original power of attorney of such employee or certified copy of a power of attorney in the name of another employee under whose signature the transferred power of attorney was issued. The power of attorney under which another employee gives power of attorney to another person shall contain the confirmation of its transferability and shall be signed by an employee authorized thereto in accordance with the Candidate's/Trading Member's constituent documents. In addition, the period of the power of attorney issued as a substitute power of attorney for the person to be authorized shall not exceed the period of the power of attorney enabling to issue this substitute power of attorney.

Individuals who in accordance with the powers of attorney valid as of the date of filing of documents are authorized to represent the Candidates, the Trading Members, as well as the Market Makers (or representing their interests on other grounds) shall submit to the Stock Exchange their consent to have their personal data processed signed in person that shall be presented in the form being available on the website of the Stock Exchange, unless otherwise provided by the current laws of the Russian Federation.

7. If pursuant to this article of the Rules for Admission the Candidate/Trading Member has certified the powers of the person to perform certain operations for the Candidate/Trading Member, and such powers are terminated, this Candidate/Trading Member shall immediately forward to the Stock Exchange the notice on revocation of the power of attorney signed by the sole executive body of the Candidate/Trading Member or other authorized person.

In case of failure to submit to the Stock Exchange the above notice the Candidate/Trading Member shall be liable for the actions performed by its Representative.

8. Specimen signature of the person acting on behalf of the Candidate/Trading Member on the basis of the power of attorney shall be specified in the said power of attorney. Otherwise the specimen signature shall be submitted in any written form certified by the Candidate's/Trading Member's seal and signature of the authorized employee, unless this employee is the head of the company.
9. The Candidate's/Trading Member's seal imprint shall be submitted in any written form signed solely by the head of the Candidate/Trading Member.
10. Documents to be submitted to the Stock Exchange or its subdivisions shall be sent by post or

by courier to the address of the Stock Exchange or its respective subdivision.

Article 02.05 Procedure for Receipt/Submission to the Exchange of the Electronic Documents

1. Electronic documents may be transferred by the Trading Member to the Stock Exchange in accordance with the Electronic Document Circulation Regulations.
2. List of the documents to be transferred in an electronic document form, their categories in accordance with Electronic Document Circulation Regulations, as well as the formats of the files containing these documents shall be provided for in the Stock Exchange's internal documents governing conduction of transactions in the MICEX Stock Exchange.
3. To transfer and to receive documents in an electronic document form the Trading Member shall meet the conditions established by the Electronic Document Circulation Regulations and other internal documents of the Stock Exchange.
4. Upon conditions established in the EDC Regulations are fulfilled by a Trading Member, hard copies of original documents submitted to the Trading Member/by the Trading Member are transferred by the Trading Member/to the Trading Member in an electronic document form and cease to be transferred in paper form starting from the third (3) business day upon satisfaction by this Trading Member of the conditions established by the Electronic Document Circulation Regulations.

Article 02.06 Requirements to Completeness and Accuracy of the information

1. The Candidates/Trading Members shall ensure completeness and accuracy of the information and documents to be submitted to the Stock Exchange in accordance herewith.
2. The Candidates/Trading Members shall inform the Stock Exchange on the sanctions applied to them due to violation of the laws and other the regulatory legal acts of the RF. Furthermore:
 - a) such information shall be submitted by the Candidate/Trading Member in writing;
 - b) the Candidates shall submit information on any sanctions applied to them over the period of 1 (one) year preceding the day of submitting the membership application;
 - c) the Candidates/Trading Members shall provide information on the applied sanctions within ten (10) business days from the date when such application took place.
3. The Stock Exchange is entitled to request from the Candidates/Trading Member to provide additional information, including information on sanctions applied to them for violation of the laws of the Russian Federation, as well as the information defining their financial condition. Such information shall be submitted in writing within the period specified in the request; if no such period is specified — within ten (10) business days from the date of receipt of the Stock Exchange's request.

If the said period is insufficient for the reply to the Stock Exchange's request, the Trading Member shall forward to the Stock Exchange an explanation with regard to the reasons of the delay of such requested information.
4. Failure of the Candidate to submit information in accordance with this article of the Rules for Admission within the established period shall constitute a reason for the refusal to include this Candidate in Trading Members.
5. Failure of the Trading Member to submit information in accordance with this article of the

Rules for Admission within the established period may be a reason for suspension of the Trading Member's admission to trading pursuant to article 06.01 hereof.

6. For the Stock Exchange to be able to control the Trading Members and to evaluate their financial condition the Trading Members shall provide the Stock Exchange with all the information and statements in accordance with the Procedure for Provision of Information and Statements.
7. The Trading Member shall ensure timeliness, accuracy and completeness of the package of the documents specified in clauses 2—7, 12—18 of Appendix 02 hereto and clauses 2 and 7 of article 05.04 hereof, as well as timely submission of amendments to these documents and to the data contained in the registration card to be submitted pursuant to the Procedure for Provision of Information and Statements. Documents proving introduction of the said amendments shall be submitted to the Stock Exchange within ten (10) business days from their effective date.

If the Trading Member fails to submit the data on its actual address change within the period established hereby, the Stock Exchange shall not be liable to the Trading Member for untimely submission to such Trading Member of the information required for the latter to perform operations on the Stock Exchange.

8. If the Trading Member provides misleading data on its financial condition and other data or repeatedly violates the requirements of clause 7—9 of this article, then such situation may serve the ground for exclusion of that Trading Member from the Trading Members list.
9. If a trade executed on the MICEX Stock Exchange is not settled through the Clearing Organization, then the Trading Member having submitted an order resulted in this trade shall submit to the Stock Exchange the report on settlement of the trade concluded based on this order within twenty-one (21) days from the settlement date specified while executing the trade.

Article 02.07 Liability of the Trading Members

1. Rules for Admission, other internal documents of the Stock Exchange governing the procedure for trading, decisions of the Stock Exchange taken on the issues related to organization of trading in the MICEX Stock Exchange shall be delivered to and shall be binding upon the Trading Members.
2. When violating the requirements of the Trading Rules, the Trading Members shall be liable in accordance with the Trading Rules.

SECTION 03. PROCEDURE FOR TRADING MEMBER STATUS TO BE OBTAINED

Article 03.01 Requirements Imposed on the Trading Members

1. The Trading Members may be legal entities — professional participants of the securities market having the license to act as a broker and/or a dealer and/or to manage securities, issued by the authorized federal executive body satisfying the requirements of the laws of the RF and the requirements to be imposed on the Trading Members in accordance with these Rules for Admission, other internal documents of the Stock Exchange governing the procedure for trading on the MICEX Stock Exchange, and the Bank of Russia.
2. If there is no license of the professional securities market participant to act as a dealer, then the Trading Member is not entitled to perform transactions on its behalf and at its own expense.

If there is no license of the professional securities market participant to act as a broker, the Trading Member is not entitled to perform transactions on its behalf and at the expense of a Client, as well as on behalf and at the expense of a Client.

If there is no license of the professional securities market participant to manage securities, the Trading Member is not entitled to perform transactions on its behalf with the securities transferred to such Trading Member for trust management.
3. To be included in the Trading Members list the Candidate shall have a valid license of the professional securities market participant to act as a broker and/or a dealer and/or to manage securities, issued by the authorized federal executive body.
4. To be included in the Trading Members list the Candidate being a credit organization shall have a valid banking license issued by the Central Bank of the Russian Federation.
5. Only legal entities which meet the requirements of this article, as well as the requirements established to their financial condition depending on the types of professional activities carried out on the securities market in accordance with the license of the professional securities market participant issued by the authorized federal executive body, may be the Trading Members.
6. Trading Members can be categorized as follows:
 - Category “A: trading members that are general agents for placements, redemptions and exchanges of federal loan bonds according to the law and other regulatory acts of the RF;
 - Category “B”: trading members that are not included into the Category “A”.

Article 03.02 Rights and Obligations of the Trading Member

1. In accordance with these Rules for Admission, Trading Rules and other internal documents of the Stock Exchange governing the procedure for trading on the MICEX Stock Exchange the Trading Member is entitled:
 - a) to participate in trading in the respective Market Sector/trading mode provided for in the Trading Rules subject to satisfaction of the conditions stipulated in the Trading Rules, these Rules for Admission and other internal documents of the Stock Exchange;
 - b) to receive reporting and other documents following the results of trading in accordance with the Trading Rules;

- to the Trading Members in accordance with the regulatory legal acts of the RF and the Stock Exchange's internal documents;
 - d) to forward to the Stock Exchange its proposals to improve organization of trading in securities on the Stock Exchange;
 - e) to accredit on the Stock Exchange a necessary number of its Representatives;
 - f) to amend the orders placed earlier, to cancel unfulfilled orders in the cases and according to the procedure provided for in the Trading Rules;
 - g) under the respective agreement with the Stock Exchange to distribute the information provided for in the Trading Rules, to obtain the status of a Market Maker with regard to any security (securities) on the basis of the respective agreement on performing the Market Maker's functions to be concluded with the Stock Exchange/to terminate its status of a Market-Maker;
 - h) to participate or not to participate in trading at its own discretion;
 - i) to gain access to the information submitted by this Trading Member to the Stock Exchange via the Stock Exchange website in accordance with the Stock Exchange's internal documents.
2. In accordance with these Rules for Admission, Trading Rules and other internal documents of the Stock Exchange governing the procedure for trading on the MICEX Stock Exchange the Trading Member shall perform the following obligations in due time and in full:
- a) to conduct its activities on the Stock Exchange in good faith;
 - b) to pay the Membership fee;
 - c) to comply with the requirements established by the Stock Exchange's internal documents, the regulatory legal acts of the Russian Federation;
 - d) to submit in due time and in full the information required in accordance with the Stock Exchange's internal documents pursuant to the requirements and forms established by the Stock Exchange's internal documents, including the data provided for in the regulatory legal acts of the RF and those required to register the Clients in the Trading System, as well as information and statements which shall be submitted in accordance with the Procedure for Provision of Information and Statements;
 - e) to perform its obligations under securities transactions subject to satisfaction of conditions determined by the Stock Exchange's internal documents governing trading on the MICEX Stock Exchange;
 - f) to observe the limits established according to the Stock Exchange's internal documents and/or the Clearing Organization;
 - g) to perform obligations which may arise towards the Stock Exchange;
 - h) to keep confidential the information which becomes available to the Trading Member due to its participation in trading on the MICEX Stock Exchange;
 - i) to submit the data required in accordance with the Stock Exchange's internal documents, the regulatory legal acts of the RF for the Stock Exchange to control the Trading Members;

- j) to be liable for the actions of its Representatives;
 - k) to perform the obligations under the agreements concluded with the Clients, including timely submission of required market data and trading results in order to enable Clients to make decisions regarding execution of trades;
 - l) to follow the resolution procedure for disputes and conflicts established hereby;
 - m) to refrain from performing actions stipulated in the Trading Rules that contribute to a disruption of the market, if such actions have been performed, the Trading Member shall submit written explanations with regard to these facts;
 - n) to refrain from assigning the rights in action and/or transferring its debts arisen due to operations handled on the Stock Exchange in favour of other Trading Members or any third parties, except for the cases when the Clearing Organization performs the functions of the Central Counterparty;
 - o) to transfer to the Stock Exchange the list of insiders according to the procedure and within the periods established by the regulatory legal acts of the RF, as well as by the Stock Exchange's internal documents governing provision of such information;
 - p) to perform other obligations arising in accordance with these Rules for Admission and other internal documents of the Stock Exchange.
3. The Trading Member shall notify the Stock Exchange in writing on reissuance of the license of the professional securities market participant to act as a broker and/or a dealer and/or to manage securities, suspension of this license (these licenses) or its (their) cancellation, as well as on revocation or cancellation of the banking license no later than on business day following the date when the said events have occurred.

Article 03.03 Application for Membership in the Stock Exchange

1. Any legal entity which is a professional securities market participant having a license to act as a broker and/or a dealer and/or to manage securities, as well as a banking license (for credit organizations), or the Bank of Russia may file an application for membership in MICEX Stock Exchange (the "Application for membership").
2. Application for membership in MICEX Stock Exchange shall be executed in accordance with the form provided for in Appendix 01 hereto.
3. Documents stipulated in the list given in Appendix 02 hereto shall be enclosed to the Application for membership.
4. The Candidate shall ensure accuracy and completeness of the information and documents submitted to the Stock Exchange, as well as equivalence between electronic data in reports and in the registration card provided for in Appendix 02 hereto and information submitted in paper form.
5. The Stock Exchange is entitled to check accuracy of the documents and information submitted to the Stock Exchange.
6. If upon filing by the Candidate of the Application for membership any changes have occurred related to information contained in the documents enclosed to the said application, the Candidate shall inform the Stock Exchange thereof in writing and provide documents confirming these changes within ten (10) business days upon these changes occurred.

Article 03.04 References for Candidates

1. When filing the Application for membership the Candidate shall submit the references (according to the form provided for in Appendix 03 hereto):
 - either of two Trading Members included in the List of Trading Members having a right to issue reference letters to Candidates willing to become Trading Members (the “List of the Trading Members having a right to issue reference letters”) in accordance with clause 2 of this article of the Rules for Admission;
 - or of the self-regulatory organization of the securities market professional participants;
 - or of the professional non-profit organization joining together professional participants of the securities market, inter alia, credit organizations, as well as one Trading Member from the List of the Trading Members having a right to issue reference letters.

The List of the Trading Members having a right to issue reference letters shall be approved at least once a year by the Securities Market Committee and shall be valid until a new List is approved.

List of the Trading Members having a right to issue reference letters shall be disclosed on the Stock Exchange website within three (3) business days upon this List’s approval.

2. The Candidates shall submit references just from those Trading Members who are admitted to trading on the MICEX Stock Exchange and at the same time meet the following requirements:
 - by the date of submission of the respective recommendation the Trading Member is included in the List of the Trading Members having a right to issue reference letters;
 - the Trading Member meets the requirements of these Rules for Admission and other internal documents of the Stock Exchange, as well as it performs its financial obligations before the Stock Exchange and other Trading Members related to its actions on the Stock Exchange as a securities market professional participant.
3. The Trading Members having issued references to the Candidates which fail to meet the requirements imposed on the Trading Members may be excluded from the List of the Trading Members having a right to issue reference letters according to a relevant decision taken by the Securities Market Committee.
4. No requirements of this article shall apply to the Bank of Russia.

Article 03.05 Procedure for the Trading Member Status to be Obtained

1. Application for membership shall be considered within the period not exceeding three (3) months from the date of receipt by the Stock Exchange of such Application with the documents enclosed therewith.

If the package of the documents required is incomplete and/or the Stock Exchange requests any additional documents, this period shall be calculated from the date of receipt by the Stock Exchange of all the documents necessary to consider the Application for membership.
2. The documents shall be executed and submitted by a Candidate to the Stock Exchange according to the procedure set forth in the article 02.04 herein.
3. Violation by the Candidate of these Rules for Admission regarding submission of information (data) within the established periods may be considered as a ground to refuse to include this

Candidate in the Trading Members.

4. While considering an inclusion of the Candidate in the Trading Members list the Stock Exchange at its own discretion is entitled to hold meetings and consultations with the Candidate's Representatives.
5. If it is necessary to obtain an expert opinion regarding the membership of the Candidate the Stock Exchange is entitled to consult with the Securities Market Committee. In this case the decision whether to include the Candidate in the Trading Members shall be taken by the Stock Exchange taking into account the references of the Securities Market Committee.
6. The Stock Exchange shall make a decision to admit a Candidate to the Trading membership, provided that such Candidate meets requirements stipulated herein.
7. The Stock Exchange's decision on membership of the Candidate (on refusal to include the Candidate in Trading Members), as well as other information related to participation in trading, including information on the Trading Member's registration number assigned by the Stock Exchange to the Candidate shall be sent to the Candidate by means of a written notice no later than on the fifth (5) business days from the date when such decision was taken.
8. Upon the decision on membership of the Candidate was made by the Stock Exchange the latter shall sign the agreement on participation in trading submitted by this Candidate to the Stock Exchange pursuant to these Rules for Admission.
9. Date of inclusion of the Candidate in Trading Members list shall be the effective date of the agreement on participation in trading concluded with this Trading Member.
10. If the Candidate fails to comply with the requirements imposed on the Trading Members, or the Stock Exchange has other reasons to refuse to include the Candidate in the Trading Members, as well as in case of deterioration of the Candidate's financial condition, receipt of information on Candidates' failures to fulfil its obligation on financial and commodities markets, if it is in debts, the information is available on its unfair activities on markets or other circumstances, the Stock Exchange is entitled to take the decision to refuse to include this Candidate in the Trading Members.
11. The Candidate may resubmit the documents to be included in the Trading Members list, but only upon expiration of at least six (6) calendar months from the date when the Stock Exchange has taken the decision to refuse to include the Candidate in the Trading Members. The Candidate's repeated application for membership shall be filed and considered according to the procedure established hereby.
12. Information on inclusion of new companies in the Trading Members list specifying their registration numbers shall be disclosed on the Stock Exchange website within five (5) business days from the date when the Stock Exchange took the respective decision.

Article 03.06 Revoking the Trading Members Status

1. A Trading Member may be excluded from the MICEX Stock Exchange Trading Members list for the following reasons:
 - a) failure of the Trading Member to pay the Membership fee, the Commission fee and the Service Fee provided for herein within the established period and in full (except for the cases when the Stock Exchange establishes a specific procedure for their payment);
 - b) non-fulfillment of the conditions for admission to trading in the Main Marker Market

Sector (article 05.02 hereof) within six (6) months from the date of inclusion of this Trading Member in the Trading Members list;

- c) suspension of admission to trading for over six (6) months in all the Market Sectors where the Trading Member used to be admitted to trading;
 - d) termination of admission to trading in all the Market Sectors where the Trading Member used to be admitted to trading;
 - e) revocation of all Trading Member's professional securities market participant licenses (to act as a broker and/or dealer and/or securities manager);
 - f) cancellation/revocation of a Trading member's banking license (to be applied to credit organizations);
 - g) violation of the laws and other regulatory acts of the Russian Federation, the Rules and other internal documents of the Stock Exchange and the Clearing Organization governing the procedure for trading on the MICEX Stock Exchange by this Trading Member; violation by the Trading Member of the obligations assumed when obtaining the Trading Member status in accordance with its application and when concluding agreements with the Stock Exchange and the Clearing Organization; failure to implement decisions taken pursuant to the above-mentioned documents of the Stock Exchange and the Clearing Organization;
 - h) application to the Trading Member of the procedures applied in case of any matters of bankruptcy to the extent and according to the order provided for in the laws in force of the Russian Federation;
 - i) in other cases provided for in these Rules for Admission and the Trading Rules.
2. The Stock Exchange is entitled to contact the Securities Market Committee if it needs to obtain an expert opinion as for exclusion of a Trading Member from the Trading Members list.
 3. A Trading Member shall be excluded from the Trading Members from the date when the Stock Exchange has taken the respective decision.
 4. The Stock Exchange's decision to exclude a company from the Trading Members shall be notified to this company by means of forwarding of a written notice within five (5) business days from the date of such decision.
 5. The Trading Member excluded from the Trading Members may become the Trading Member again, but only upon expiration of at least one year from the date of exclusion, unless other period is established by the decision of the Stock Exchange.

SECTION 04. MEMBERSHIP FEE, COMMISSION FEE, SERVICE FEE AND OTHER PAYMENTS TO BE MADE BY THE TRADING PARTICIPANTS

Article 04.01 Membership Fee

1. Membership fee shall be paid by the Trading Members as a single payment and shall not be subject to return. Amount and payment procedure of the Membership fee shall be established by the Stock Exchange. Information on the amount and payment procedure of the membership fee shall be posted on the Stock Exchange website.
2. Membership fee shall be made to the Stock Exchange's settlement account.
3. The Trading Member shall pay the Membership fee in full based on the invoice made out by the Stock Exchange within one calendar month from the date of inclusion of such Trading Member in the Trading Members list, unless the Stock Exchange states otherwise.

Article 04.02 Commission Fee

1. The Trading Members shall pay the Commission fee to be collected by the Stock Exchange for the services directly contributing to conclusion of transactions according to the procedure determined in the Trading Rules.
2. Amount of the Commission fee shall be established by the Stock Exchange. Information on the amount and payment procedure of the Commission fee shall be posted on the Stock Exchange website.

Article 04.03 Service Fee

1. The Trading Members shall pay the Service fee in the amount and in accordance with the procedure determined by the Stock Exchange. Information on the amount, procedure and periods of payment of the Service fee shall be posted on the Stock Exchange website.
2. The Trading Member shall acquire the obligation to pay the Service fee in four (4) calendar quarters from the date of its inclusion in the Trading Members list taking into account the calendar quarter when such Trading Member was included in the Trading Members list unless otherwise provided by the decision of the Exchange.
3. The Service fee shall be paid by the Trading Member having admission to trading for one or more days in the calendar quarter, without regard to the announcement (placement in the Trading System) of the orders intended to execute subsequent transactions and/or to execute and/or settle subsequent transactions, unless otherwise provided for herein.
4. The Service fee shall be paid by the Trading Member for the regular calendar quarter once and fully, whatever is the number of the IDs assigned to the Trading Member.
5. The Service fee shall be collected from the Trading Member at the end of each quarter as follows:
 - from the Trading Member being the Clearing Participant of the Clearing Organization (CJSC JSCB National Clearing Centre shall be such Clearing Organization) and having a registered trading account with such Clearing Organization intended to pay indemnification and Service fee such Service fee shall be collected within the first business day of the following quarter, while in case of termination of admission to trading within the quarter — on the following business day upon termination of

admission to trading according to the procedure given in the internal documents of such Clearing Organization;

- the Trading Member not being the Clearing Participant of CJSC JSCB National Clearing Centre or having no registered trading account with CJSC JSCB National Clearing Centre to pay indemnification and Service fee shall pay the Service fee subject to the invoice made out by the Stock Exchange. The Stock Exchange shall send to the Trading Member the invoice for the Service fee within ten (10) business days from the end of the quarter when such Service fee is due, while in case of termination of admission to trading within the quarter — within ten (10) business days following the date of termination of admission to trading.

The Trading Member shall pay the Service fee subject to the invoice made out by the Stock Exchange within five (5) banking days from the date when the Stock Exchange send the invoice to the Trading Member.

- The Trading Member shall not pay the Service fee for a quarter in which it has been excluded from the list of Trading Members.

Article 04.04 Other Payments

1. The Stock Exchange may establish other payments for the Trading Members.

SECTION 05. ADMISSION TO TRADING

Article 05.01 Mandatory Requirements for the Trading Members to be Admitted to Trading

1. For the purposes hereof admission to trading means enabling of the Trading Members by the Stock Exchange to announce (place in the Trading System) orders to execute trades, as well as to execute trades based on to the orders submitted in the selected Market Sectors (in the respective trading modes), Admission modes (for the Classica Sector) provided that the Trading Members meet the requirements stipulated in these Rules for Admission and the Trading Rules.
2. Only those companies that are included in the Trading Members list according to the procedure established hereby may be admitted to trading.
3. Compliance of the Trading Member with the requirements provided for in article 03.01 hereof shall be a mandatory condition for admission to trading, unless these Rules for Admission stipulate otherwise.
4. By the Stock Exchange's decision there may be established other requirements for the Trading Members.

Article 05.02 Conditions for Admission to Trading

1. To be admitted to trading the Trading Member shall fulfil the conditions for admission provided for in this article of the Rules for Admission.
2. General conditions for admission to trading in the Main Market Sector, Classica Sector and Standard Sector:
 - a) to pay the Membership fee;
 - b) to have the valid license of the professional securities market participant to act as a broker and/or a dealer and/or to manage securities;
 - c) for credit organizations — to have the valid banking license;
 - d) to accredit the Trader according to the procedure provided for in article 05.04 hereof;
 - e) to submit the Application on Admission to Trading (specifying the Market Sector (Sectors), admission modes for the Classica Sector) executed in accordance with the form given in Appendix 12 hereto;
 - f) to obtain technical access according to the procedure provided for in article 05.05 of these Rules for Admission;
 - g) to be admitted to clearing of the Clearing Organization according to the procedure provided for in article 05.06 hereof;
 - h) to obtain access to the MICEX Stock Exchange SEDC Subsystem in accordance with the conditions provided for in the MICEX Stock Exchange SEDC Procedure.
3. Additional conditions for admission to trading in the Classica Sector and the Standard Sector:
 - a) to get admission to trading in the Main Market Sector in accordance with clause 2 of this

article;

- b) to obtain access to RTS SEDC in accordance with the conditions provided for in Electronic Document Circulation Regulations;
 - c) to conclude an Agreement on the use of Analogue of Handwritten Signature in the Trading Systems of “RTS Technical Centre” LLC (for admission to trading in the Standard Sector) and/or an Agreement on the use of Analogue of Handwritten Signature in the Trading Systems of Not-for-profit partnership “Russian Trading System” Stock Exchange (for admission to trading in the Classica Sector);
 - d) to submit References according to the procedure provided for in clause 6 of article 05.03 hereof (for admission to trading in the Classica Sector);
 - e) to contribute funds to the Contingency Fund (for admission to the Standard Sector) in accordance with the Clearing Organization’s internal documents;
 - f) to conclude with the Clearing Organization on the form established by the latter an agreement stipulating that the parties have agreed that to the extent provided for in this agreement and the Clearing Rules the parties will execute repo transactions or purchase and sale transactions on the terms determined by the Clearing Rules and the Stock Exchange’s documents (in case of admission to the Standard Sector).
4. A Trading Member shall be admitted to trading by the Stock Exchange within no more than five (5) business days upon fulfillment by the Trading Member of the requirements and conditions provided for in this article of the Rules for Admission.
5. Upon fulfillment by the Trading Member of the conditions provided for in this article of the Rules for Admission the Stock Exchange shall register the Trading Member in the Trading System.

Article 05.03 Market Sectors. Mode of Admission to Trading in the Classica Sector

1. The Trading Member is entitled to be admitted to trading in one or more Market Sectors established by the Stock Exchange’s Trading Rules.

A trading Member is entitled to get admission to all (as well as to some) trading modes of the Main Market Sector stipulated in the Trading Rules and admission to trading in the Classica Sector within its admission modes according to the Market Sectors selected by the Trading Member.
2. The Trading Member may be admitted to trading in the following Market Sectors:
 - Main Market Sector;
 - Classica Sector;
 - Standard Sector.
3. The Trading Member may be admitted to trading in each Market Sector subject to compliance with the requirements established hereby, as well as with the specific conditions established by the Trading Rules with regard to the respective Market Sectors/trading modes.
4. Admission to trading in the Main Market Sector provides the Trading Member with the opportunity to be admitted to the trading modes of this Sector established by the Trading Rules provided that the Trading Member meets the requirements set forth herein and some conditions

set forth in the Trading Rules and Clearing Rules regarding the relevant trading modes.

A Trading Member shall be admitted to trading in the Main Market Sector trading mode intended for execution of repo trades with the Bank of Russia provided that it meets admission requirements set by the Bank of Russia for this trading mode.

A Trading Member shall be admitted to trading in the Main Market Sector trading modes intended for conclusion of transactions with partial collateral provided that it meets requirements set by the Clearing Organization and provided for in the Clearing Rules.

5. Admission to trading in the Standard Sector provides the Trading Member with the opportunity to execute trades in this Sector, provided that the Trading Member meets the requirements stipulated in the Trading Rules.
6. The Trading Member may be admitted to trading in the Classica Sector under the following admission modes:
 - Trade Reporting admission mode;
 - Regular admission mode;
 - Prime Broker admission mode.
 - a) *Transaction Reporting admission mode* provides the opportunity to view the orders for sale (purchase) of securities placed by the Trading Member in the Classica Sector and to perform the actions required to submit off-order book orders and to close transactions in shares in the Classica Sector.
 - b) *Regular admission mode* provides the opportunity to be admitted to trading in the Classica Sector that enables to perform the actions required to submit orders and to conduct transactions in the Classica Sector.

To be admitted to trading under the Regular admission mode in the Classica Sector the Trading Member is required to submit (in the form established in Appendix 13 hereto):

- four references from the Trading Members admitted to trading in the Classica Sector on the terms of the Regular admission mode,

or

- two references from the Trading Members admitted to trading in the Classica Sector on the terms of the Prime Broker admission mode.

- c) *Prime Broker admission mode* provides the opportunity to be admitted to trading in the Classica Sector that enables to perform the actions required to submit orders and to conduct transactions in the Classica Sector, as well as to get additional opportunities for trading in the Classica Sector provided for in the Trading Rules.

To be admitted to trading under the Prime Broker admission mode the Trading Member shall be admitted to trading on the terms of the Regular admission mode in the Classica Sector. Admission under the Prime Broker admission mode may only be effected subject to the unanimous approval of such admission of all the Trading Members admitted to trading under the Prime Broker admission mode.

The Prime Broker admission mode may be terminated with regard to a Trading Member in case of any circumstances provided for in article 06.01 hereof, as well as if at least 50

percent of the Trading Members admitted to trading under the Prime Broker admission mode have voted to terminate the Prime Broker admission mode with regard to such Trading Member. Termination of the Prime Broker admission mode with regard to the Trading Member may be initiated by any other Trading Member using this mode or by the Stock Exchange. The Stock Exchange shall arrange a voting on this matter within one week from the date of receipt of the respective request.

Announcement of the voting on the matter whether to terminate the Prime Broker admission mode with regard to the Trading Member shall be based on the following:

- written application of the Trading Member admitted to trading under the Prime Broker admission mode addressed to the Stock Exchange's Head which shall specify the circumstances serving as a ground for such application,

or

- written request of the Stock Exchange's controller addressed to the Stock Exchange's Head which shall specify the circumstances serving as a ground for such request.

If the Prime Broker admission mode is terminated with regard to the Trading Member in accordance with this clause of the Rules for Admission, the Trading Member shall be provided with the Regular admission mode, unless the Trading Member requests other admission mode in the Classica Sector by means of the application on admission to trading on the form established in Appendix 12 hereto.

7. The admission mode in the Classica Sector may be changed by the Trading Member based on the Application on Admission to Trading on the form established in Appendix 12 hereto.

Article 05.04 Trading Members' Representatives

1. The Trading Member may accredit the Representatives having powers of the Trader — an individual authorized by the Trading Member to execute trades in its name, as well as to perform other actions in accordance with these Rules for Admission and other internal documents of the Stock Exchange governing the procedure for trading on the MICEX Stock Exchange.
2. To accredit its Trader the Trading Member shall submit to the Stock Exchange:
 - power of attorney executed in accordance with the form given in Appendix 06 hereto or the application executed in accordance with the form given in Appendix 05 hereto (if the Representative has the required powers pursuant to the Trading Member's constituent documents);
 - notarized copy (copies) of the valid Qualification Certificate (Certificates) of the first type issued in compliance with the requirements of the federal executive body and satisfying the requirement (requirements) provided for in the regulatory acts of the RF;
 - copy of the document certifying the identity of the Trading Member's trader certified by the Trading Member's seal, or the letter of the Trading Member containing information on the particulars of the document proving the said identity, as well as its date of birth, registration: at the place of permanent or temporary residence.
3. All the powers of attorney to be submitted to the Stock Exchange shall be executed in accordance with the requirements of article 02.04 hereof.

4. If there is no respective Qualification Certificate as it has been executed according to the procedure provided for in the regulatory acts of the RF, the Trading Member shall submit the copy (certified by the signature of the authorized person and the Trading Member's seal) of the document proving that the authorized federal executive body's certification committee has taken the decision to award qualification and to issue the respective Qualification Certificate, as well as the written obligation to submit a certified copy of the Qualification Certificate upon the latter's receipt.
5. A Trader shall be accredited within five (5) business days, provided that there are no remarks with regard to the submitted documents and that the Trading Member meets the Stock Exchange's requirements provided for in articles 05.02 and 05.03 hereof.
6. The Trading Member shall be notified on the refusal to accredit its Trader according to the procedure determined herein within five (5) business days upon submission of documents for such Trader's accreditation.
7. Documents shall be received on and submitted to the MICEX Stock Exchange by the authorized person (courier) based on the power of attorney executed in accordance with the form given in Appendix 08 hereto.
8. The Trading Member may take part in trading using remote work station upon condition that the Trading Member is provided with technical access to the Trading System. For this purpose the Trading Member shall conclude the respective agreement (agreements) with the company ensuring technical access of the Trading Members to the Trading System from these remote work stations.
9. To cancel accreditation of its Trader the Trading Member shall execute a notice on revocation of the Trader's power of attorney in accordance with the form provided for in Appendix 09 hereto and shall submit such notice to the Stock Exchange and/or in accordance with the laws of the RF shall revoke the power of attorney used to accredit the Trader.
10. The Stock Exchange is entitled to cancel accreditation of the Trading Member's Trader in the following cases:
 - expiration of the validity period of the Trader's power of attorney;
 - cancellation of the Qualification Certificate for carrying out of the respective type of professional activity on the securities market issued in the name of the Trader by the authorized federal executive body.
11. If the Trading Member's Representative is fired or transferred to another job which involves termination of the respective functions of the Representative, then on the day preceding the date of occurrence of such circumstances (firing/transfer) the Trading Member shall submit to the Stock Exchange a notice on firing/transfer of the respective Representative and on revocation of the power (powers) of attorney issued by the Trading Member to this Representative according to the form provided for in Appendix 09 hereto.

If the said notice is failed to be submitted to the Stock Exchange or the period fixed for such submission is violated, the Trading Member shall assume all the obligations and responsibility for the actions which are performed by the Representative in violation of these Rules for Admission and the Trading Rules.

For the Trading Members in the Main Market Sector additionally:

12. The Trading Member in the Main Market Sector may accredit Traders and/or analyze trading and trading results/monitor trading in the Main Market sector both using all the trading and clearing accounts of this Trading Member in the Main Market Sector and as per restricted list of such accounts, and both in all trading modes and as per restricted list of the trading modes.

Where it is necessary for a Trading Member to accredit a Trader with powers as per a limited number of trading and clearing accounts and/or trading modes/to analyze trading and trading results/monitor trading as to a limited number of trading and clearing accounts and/or the trading modes, it shall submit an Application executed in accordance with a template set forth in the Appendix 11 hereto, to the Stock Exchange.

Trader with powers restricted as per this clause, shall not receive information on the condition of cash and securities positions of this Trading Member, unless otherwise provided for in the Application executed in accordance with the a template specified in the Appendix 11 hereto.

13. Trading and trading results shall be analyzed/monitored by a Trading Member using the IDs of the Analyst/Monitor/Monitor of the Bank of Russia received from the Stock Exchange.

Monitoring of trading in bonds with the Bank of Russia being the issuer thereof or the issuer's general agent is performed by the Bank of Russia in the Main Market Sector based on the IDs of the Monitors of the Bank of Russia received from the Stock Exchange in accordance with the documents governing the procedure for placing a security issue.

To receive the identifiers of the Analyst/Monitor/Monitor of the Bank of Russia the Trading Member is required to submit to the Stock Exchange the letter in accordance with the form given in Appendix 07 hereto.

14. The Trading Member in the Main Market Sector may join together the assigned IDs in order to receive information using any of the joined IDs only for the operations handled by means of using these IDs, but may not receive any information on the condition of the Trading Member's cash and securities positions.

To join together the Trading Member's IDs in the Main Market Sector the Trading Member is required to submit to the Stock Exchange an application in accordance with the form given in Appendix 10 hereto.

Article 05.05 Technical Access

1. The Trading Member shall obtain the technical access provided that it meets the following requirements simultaneously according to the selected Market Sector (Sectors):
 - a) conclusion of the respective agreement (agreements) on providing the technical access to the Technical Centre (Centres);
 - b) installation of the software and hardware required to participate in trading on the MICEX Stock Exchange and complying with the requirements established by the Technical Centre and the Stock Exchange.
2. Upon fulfillment by the Trading Member of the requirement provided for in subclause a) of clause 1 of this article of the Rules for Admission, the Stock Exchange shall assign

Trading Member ID (IDs) (in the Main Market Sector) and Trading Member Code (Codes), as well as shall notify the Trading Member on assignment of such ID (IDs) according to the procedure established hereby.

Article 05.06 Admission to Clearing

1. To be admitted to clearing the Trading Member in accordance with the selected Market Sector (Sectors) is required:
 - a) to execute the clearing service agreement pursuant to the Clearing Rules;
 - b) to meet other requirements provided for in the Clearing Rules.

SECTION 06. SUSPENSION AND TERMINATION OF ADMISSION TO TRADING

Article 06.01 Reasons for Suspension of Admission to Trading of the Trading Member

1. The admission to trading for the Trading member may be suspended by the Stock Exchange as per all Market sectors provided for herein and/or trading modes provided for in the Trading Rules, subject to at least one of the following conditions is met:
 - a) suspension of all the Trading Member's licenses of the professional participant of the securities market (to act as a broker and/or a dealer and/or to manage securities) — in this case admission to trading shall be suspended with regard to all the professional activities;

suspension of one of the Trading Member's licenses of the professional participant of the securities market (to act as a broker or a dealer or to manage securities) — in this case admission to trading shall be suspended with regard to the activity specified in the respective suspended license;
 - b) prohibition to perform operations as a professional participant of the securities market by the decision of the authorized federal executive body;
 - c) expiration of the validity period or revocation of all the powers of attorney in the name of traders of the Trading Member admitted to trading;
 - d) failure of the Trading Member to pay the Service fee due for the quarter during two (2) calendar months following this quarter (unless the Stock Exchange determines different procedure to pay the Service fee);
 - e) failure of the Trading Member to comply with these Rules for Admission, the Trading Rules and/or other internal documents of the Stock Exchange governing the procedure for trading on the Stock Exchange, failure to implement decisions taken by the Stock Exchange in accordance with these documents;
 - f) non-performance by the Trading Member of the obligations to submit to the Stock Exchange the information, including the report on settlement of the trade, established by the requirements provided for in article 02.06 of these Rules for Admission;
 - g) receipt by the Stock Exchange of writs of execution issued with regard to the Trading Member;
 - h) application to the Trading Member of the procedures to be used in case of any matters of bankruptcy to the extent and according to the order provided for in the laws in force of the Russian Federation;
 - i) violation by the Trading Member of the resolution procedure for disputes and conflicts established by these Rules for Admission, the Trading Rules, other internal documents of the Stock Exchange, as well as the Clearing Rules;
 - j) deterioration of the Trading Member's financial condition which may affect its performance of obligations under the transactions executed on the Stock Exchange;
 - k) violation by the Trading Member of the requirements of the laws and other regulatory acts of the Russian Federation;

- 1) occurrence of other circumstances under which admission to trading of the Trading Member in accordance with the Stock Exchange's internal documents and the regulatory acts of the RF shall be suspended.
2. Admission of the Trading Member to trading may be suspended by the Stock Exchange in certain Market sectors provided for herein and/or in the trading modes provided for in the Trading Rules, subject to at least one of the following conditions is met:
- a) the Stock Exchange has received information sent by the relevant Clearing Organization in accordance with the Clearing Rules that indicates the necessary (according to a resolution of the Stock Exchange) to suspend the admission to trading for the Trading Member;
 - b) the Stock Exchange has received information sent by the relevant Technical Centre that indicates the necessary (according to a resolution of the Stock Exchange) to suspend the admission to trading for the Trading Member;
 - c) receipt by the Stock Exchange from the Trading Member of the application on suspension of admission to trading in the Classica Sector and/or the Standard Sector according to the form established by Appendix 14 hereto;
 - d) receipt by the Stock Exchange from the Bank of Russia of the notice to suspend concluding repo transactions with the Bank of Russia in the Main Market Sector regarding the Trading Member;
 - e) receipt by the Stock Exchange from the Clearing Organization of the notice to suspend concluding transactions with partial collateral in the Main Market Sector regarding the Trading Member;
 - f) violation by the Trading Member of the resolution procedure for disputes and conflicts established by these Rules for Admission, the Trading Rules, other internal documents of the Stock Exchange, as well as the Clearing Rules;
 - g) occurrence of other circumstances under which admission to trading of the Trading Member in certain trading modes provided for in the Trading Rules in accordance with the Stock Exchange's internal documents and the regulatory legal acts of the RF shall be suspended.

If the information on the necessity to suspend the admission to trading for the Trading Member was received from the relevant Clearing Organization, the admission to trading in the Standard Sector may be suspended using one, several or all the Trading Member's sections of the position register (as per their meaning provided for in the Clearing Rules).

3. The admission to trading for the Trading Member is suspended:
- a) no later than on the trading day following the day of the federal executives body's decision to suspend a license of the professional securities market participant to act as a broker and/or a dealer and/or to manage securities of the Trading Member that is admitted to trading in the Stock Exchange, provided that such suspension was made on the initiative of the Trading Member;
 - b) on the 16 (sixth) day since the federal executives body has made a decision to suspend a license of the professional securities market participant to act as a broker and/or a dealer and/or to manage securities (including that one issued for one type of the activity) of the

Trading Member that is admitted to trading in the Stock Exchange, provided that such suspension was made on the initiative of the authorised federal executive body;

- c) no later than on the trading day following the day of receiving by the Exchange of information proving the necessity to suspend the admission to trading in accordance with subclause b), d) of clause 1 and subclauses a)-e) of clause 2 in the current article.
 - d) starting from the expiration day of all powers of attorney or no later than on the trading day following the day of receiving by the Stock Exchange of information on cancellation of all powers of attorney issued for traders of the Trading Member admitted to trading;
 - e) starting from the day of a decision taken by the Stock Exchange on the basis of grounds to suspend trading in accordance with subclauses e) - l) of clause 1 and subclauses f) and g) of clause 2 of this article.
4. If admission to trading of the Trading Member is suspended for the reasons specified in clauses 1 and 2 of this article of the Rules for Admission, admission to trading of the Trading Member may be restored in accordance with article 06.04 hereof.

Article 06.02 Reasons for Termination of Admission to Trading

1. The admission to trading for the Trading member may be terminated by the Stock Exchange as per all Market sectors provided for herein and/or trading modes provided for in the Trading Rules, subject to at least one of the following conditions is met:
- a) liquidation of the Trading Member or cessation of its activities as a result of reorganization (except for corporate restructuring) in cases and in accordance with the procedure provided for in the law of the Russian Federation;
 - b) cancellation of all the Trading Member's licenses of the professional participant of the securities market (to act as a broker and/or a dealer and/or to manage securities) — in this case admission to trading shall be terminated with regard to all the professional activities;

cancellation of one of the Trading Member's licenses of the professional participant of the securities market (to act as a broker or a dealer or to manage securities) — in this case admission to trading shall be terminated with regard to the activity specified in the respective cancelled license;
 - c) revocation/cancellation of the banking license of the Trading Member (for credit organizations);
 - d) failure of the Trading Member to pay the Commission fee and the Service Fee within the established period and to the fullest extent (except for the cases when the Stock Exchange establishes a specific procedure for their payment);
 - e) prohibition for the Trading Member to act as the professional securities market participant according to a relevant decision made by the authorized federal executive body;
 - f) rendering by the arbitration court of the decision to declare the Trading Member bankrupt and to initiate the bankruptcy proceedings;
 - g) receipt by the Stock Exchange of the writs of execution issued with regard to the

Trading Member;

- h) receipt by the Stock Exchange of the application to exclude the Trading Member from the Trading Members;
- i) failure of the Trading Member to comply with the requirements set forth herein, the Trading Rules and/or other internal documents of the Stock Exchange governing the procedure for trading on the Stock Exchange, non-execution by the Trading Member of the decisions taken by the Stock Exchange;
- j) occurrence of other circumstances requiring to terminate admission to trading of the Trading Member in accordance with the Stock Exchange's internal documents and the regulatory legal acts of the RF.

2. Admission of the Trading Member to trading may be terminated by the Stock Exchange in certain Market Sectors provided for herein, and/or in trading modes provided for in the Trading Rules, subject to at least one of the following conditions is met:

- a) the Stock Exchange has received information sent by the relevant Clearing Organization in accordance with the Clearing Rules that indicates the necessary (according to a resolution of the Stock Exchange) to terminate the admission to trading for the Trading Member;
- b) the Stock Exchange has received information sent by the relevant Technical Centre that indicates the necessary (according to a resolution of the Stock Exchange) to terminate the admission to trading for the Trading Member;
- c) receipt by the Stock Exchange from the Trading Member of the application on termination of admission to trading in the Classica Sector and/or the Standard Sector according to the form established by Appendix 14 hereto;
- d) there is a resolution of the Stock Exchange to terminate the admission to trading for the Trading Member admitted to trading in the Classica Sector under the Prime Broker admission mode in accordance with the Article 05.03, clause 6, sub-clause c) herein;
- e) occurrence of other circumstances requiring to terminate admission to trading of the Trading Member in certain Market Sectors provided for herein and/or under certain trading modes provided in the Trading Rules, the Clearing Rules, as well as in accordance with the Stock Exchange's internal documents and the regulatory legal acts of the RF.

3. The admission to trading for the Trading Member shall be terminated:

- a) no later than on the trading day following the day of receiving by the Stock Exchange of information containing a condition to terminate the admission to trading in accordance with subclauses a), c) - f) and h) of clause 1 and subclauses a) – c) of clause 2 in the current article.
- b) no later than on the trading day following the day of the federal executives body's decision to cancel a license of the professional securities market participant to act as a broker and/or a dealer and/or to manage securities of the Trading Member that is admitted to trading in the Stock Exchange, provided that such cancellation was made on the initiative of the Trading Member;
- c) on the 16 (sixth) day since the federal executives body has made a decision to cancel a

license of the professional securities market participant to act as a broker and/or a dealer and/or to manage securities of the Trading Member that is admitted to trading in the Stock Exchange, provided that such cancellation was made on the initiative of the authorised federal executive body;

- d) starting from the day of a decision taken by the Stock Exchange according to grounds to suspend trading stipulated in subclauses e) – g), i) and j) of clause 1 and subclauses d) and e) of clause 2 in this article.

- 4. If admission to trading of the Trading Member is terminated for the reasons specified in clause 1 of this article of the Rules for Admission, then admission to trading of the Trading Member may not be renewed.

Article 06.03 Procedure for a Trading Member's Admission to Trading to be Suspended or Terminated

- 1. The Trading Member's admission to trading on the Stock Exchange (in all Sectors or in a certain Sector; in all trading modes and/or in certain trading modes set forth in the Trading Rules) shall be suspended/terminated on the basis of the following:
 - a) information (documents) submitted by the Trading Member in accordance with the requirements hereof and showing deterioration of the Trading Member's financial condition;
 - b) information (documents) submitted by the Trading Member and showing the circumstances preventing this Trading Member from taking part in trading on the Stock Exchange;
 - c) information (documents) submitted by the Trading Member in accordance with the requirements hereof and/or published according to the legally established procedure on issuing by an arbitration court of the determination on introduction of supervision, financial restructuring, external management, as well as on decision to declare the Trading Member bankrupt and on initiation of bankruptcy proceedings;
 - d) written notice of the Trading Member or written notice for the authorized federal executive body (including sent by fax) addressed to the Stock Exchange (including at the Stock Exchange's request), or any information placed by the Press Centre of the authorized federal executive body on its website regarding decisions of the authorized federal executive body related to suspension/cancellation of the license issued to the Trading Member, or another prohibition for the Trading Member to conduct professional activity on the securities market, or the electronic message containing the said information forwarded by the authorized federal executive body to the Stock Exchange via email;
 - e) written notice of the Trading Member or written notice for the Bank of Russia (including sent by fax) addressed to the Stock Exchange (including at the Stock Exchange's request) or the information on the resolutions to be passed by the Board of Directors of the Bank of Russia to suspend (to cancel) the Trading Member's banking license placed by the Bank of Russia on its website, or the electronic message containing the said information forwarded by the Bank of Russia to the Stock Exchange via email;
 - f) information received from the relevant Technical Centre that indicates the necessity (according to the resolution of the Stock Exchange) to suspend/terminate the admission

- to trading for the Trading Member (including the Technical Centre's notices on suspension/termination of the technical access or on termination of the agreement on the technical access of the Trading Member admitted to trading on the Stock Exchange);
- g) information received from the relevant Clearing Organization sent in accordance with the Clearing Rules that indicates the necessity (according to the resolution of the Stock Exchange) to suspend/terminate the admission to trading for the Trading Member (including Clearing Organization's notices on termination of the clearing service agreement of the Clearing Participant as for securities transactions or notices on suspension/termination of the Trading Member's clearing service, or notices on the necessity to suspend/to terminate admission to trading of the Trading Member) or to suspend concluding transactions with partial collateral in the Main Market Sector;
 - h) decision of the Disciplinary Committee (containing the respective petition) and/or requests of the Chairman of the Arbitration Committee and/or requests of the Trading Member and/or other document stating violation by the Trading Member of the resolution procedure for disputes and conflicts established by these Rules for Admission, the Trading Rules, other internal documents of the Stock Exchange;
 - i) receipt by the Stock Exchange from the Bank of Russia of the notice to suspend the ability of the Trading Member to execute repo transactions with the Bank of Russia;
 - j) other information proving occurrence of the circumstances requiring to suspend/to terminate admission to trading for the Trading Member.
2. In cases stipulated in subclauses e) - l) of clause 1 and subclauses f) and g) of clause 2 of article 06.01, subclauses g), i) and j) of clause 1 and subclauses d) and e) of clause 2 of article 06.02 of this section of the Rules for admission, the Trading Member's admission to trading shall be suspended/terminated by the decision of the Stock Exchange on the basis of documents set forth in clause 1 of this article.
3. The Trading Member's admission to trading on the Stock Exchange for the reasons provided for in article 06.01 of this section of the Rules for Admission shall be suspended for an established period with conditions and requirements to be imposed on this Trading Member specified in accordance with the requirements provided for in the regulatory legal acts of the Russian Federation, as well as the Stock Exchange's internal documents. The Trading Member may renew its admission to trading on the Stock Exchange provided that it complies with such conditions and meets such requirements.

Article 06.04 Resumption of the Trading Member's Admission to Trading

- 1. Admission to trading on the Stock Exchange (in all the Market Sectors or in certain Market Sector; in all the trading modes and/or in certain trading modes provided for in the Trading Rules) of the Trading Member whose admission to trading was earlier suspended shall be resumed, provided that all the circumstances having entailed suspension of admission to trading for the reasons provided for in article 06.01 of this section of the Rules for Admission have been removed.
- 2. The Trading Member's admission to trading on the Stock Exchange shall be resumed subject to removal of the circumstances having entailed the suspension of admission to trading on the basis of the information received by the Stock Exchange and provided for in subclauses d) and e) of clause 1 of article 06.03 of this section of the Rules for Admission.
- 3. If the Trading Member's admission to trading is suspended for the reasons provided for in

subclauses k) and l) of clause 1 of article 06.01 of this section of the Rules for Admission, then admission to trading of this Trading Member may be resumed but not earlier than in one (1) month from the date when the decision to suspend such admission to trading was taken.

Article 06.05 Procedure for Notifying the Trading Members on Suspension, Termination of Admission to Trading of the Trading Member, on Resumption of Admission to Trading of the Trading Member

1. The Stock Exchange shall inform the Trading Member on suspension or termination, as well as on renewal of admission to trading on or before the business day following the date of suspension or termination, as well as of renewal of admission to trading on the Stock Exchange specifying the reasons serving as a ground for the suspension, termination of the Trading Member's admission to trading and the resumption of the admission respectively.

SECTION 07. PROCEDURE FOR REGISTRATION OF THE TRADING MEMBERS AND THE TRADING MEMBERS' CLIENTS ON THE STOCK EXCHANGE

Article 07.01 General Provisions

1. The Stock Exchange shall register the Trading Members, clients of the Trading Members and the clients of brokers (asset management companies) who are the clients of the Trading Members. While performing the registration the Stock Exchange assigns codes to the said persons based on information received from the Trading Members and/or the Clearing Organization.
2. To get the codes the Trading Member shall provide the Stock Exchange with the information about itself and its Clients provided for in the regulatory legal acts of the RF, as well as these Rules for Admission according to the procedure and in the format to be determined herein.
3. To have the codes assigned to its Clients the Trading Member may provide other information stipulated in these Rules for Admission according to the procedure and in the format to be determined in these Rules for Admission — in addition to the information specified in clause 2 of this article of the Rules for Admission.
4. Information specified in clauses 2 and 3 of this article of the Rules for Admission shall be submitted to the Stock Exchange in an electronic document form in accordance with Electronic Document Circulation procedure and Electronic Document Circulation Regulations.
5. The Trading Member shall monitor completeness and relevance of the information to be submitted in accordance with clauses 2 and 3 of this article of the Rules for Admission on its own. The Stock Exchange shall not be liable for unreliability of the information submitted by the Trading Member.
6. Technical specifics of the codes assignment process shall be published on the Stock Exchange's website.
7. Program created for preparation and verification of the documents containing the data required to register Clients shall be available on the Stock Exchange website at least three (3) business days prior to the effective date of these Rules for Admission, as amended.

Article 07.02 Registration of the Trading Members

1. Registration of the Trading Member shall involve assignment of the following unique codes to the Trading Member by the Stock Exchange:
 - Trading Member Code consisting of the Trading Member's INN (Taxpayer Identification Number) and other details determined by the Stock Exchange;
 - Trading Member ID (IDs).
2. In the cases provided for in the regulatory acts of the RF the Trading Member may be assigned more than one Trading Member Code. In addition, for the sake of convenience when submitting orders to execute transactions the Trading Member (manager) shall specify a special code. For each Trading Member there shall be established a one-to-one correspondence of the special code assigned to the Trading Member to the Trading Member Code.

3. It is allowed to assign to the Trading Member more than one ID. For each Trading Member there shall be established a one-to-one correspondence of all the IDs assigned to the Trading Member to the Trading Member Code (Codes).
4. The Trading Member Codes shall be used when the Trading Member submits orders to execute trades in the Trading System on its own behalf and on account of funds posted for trust management.
5. The Stock Exchange shall inform the Trading Members on assignment of codes by sending a notification in an electronic document form pursuant to Electronic Document Circulation Regulations.

Article 07.03 Registration of the Trading Members' Clients

1. Registration of the Trading Members' Clients shall involve assignment by the Stock Exchange to the Clients of the following unique codes:
 - Client Code comprised of the Client's INN and other details to be determined by the Stock Exchange taking into account the requirements of the regulatory legal acts of the RF shall be assigned to the Clients being legal entities including the non-resident Clients registered for tax purposes and having an INN;
 - code of a non-resident Client containing the Trading Member Code for the securities market, code of this non-resident Client (shall be assigned by the Trading Member on its own), as well as the indicator unequivocally showing that this code has been assigned to a non-resident having no INN shall be assigned to the non-resident Clients being legal entities and having no INN;
 - Client Code containing the number and series (the "Number") of the primary document proving the identity of the respective state's citizen within the said state (the "Regular Passport") or the number of the document officially proving birth registration (the "Birth Certificate"), if the Client is a person under the age when such regular passport shall be issued, shall be assigned to Clients who are individuals, including non-resident Clients.

If the Client is under the age when a regular passport shall be issued, or the Client is legally incapable or partially legally capable, then such Client's code shall also include the number of the regular passport of the person considered as this Client's legal representative;
 - Brief Client Code means the brief code of the Client offered by the Trading Member and complying with the format to be used in the Trading System in accordance with clause 6 of article 07.01 hereof.
2. In addition to the information required for registration of non-resident Clients the Trading Member shall notify to the Stock Exchange a 3-digit code of the country of the non-resident Client corresponding to the All-Russian Classifier of Countries of the World.
3. If the Trading Member's Client is the professional securities market participant acting as a broker based on a relevant license, or a foreign legal entity established in one of the states specified in subclauses 1 and 2 of clause 2 of article 51.1 of the Federal Law On Securities Market and entitled to act as a broker in accordance with the personal law, then this Client shall be assigned codes according to the number of the clients serviced by the said Client as a broker taking into account requirements set for registration of Clients provided for herein.

If upon registration by the Stock Exchange of the client (clients) of the non-resident broker who is the Client of the Trading Member, the state where such non-resident broker who is the Client of the Trading Member is established ceases to comply with the requirements of clauses 1 and 2 of clause 2 of article 51.1 of FZ (Federal Law) On Securities Market, then the Stock Exchange shall stop accepting orders from such broker submitted on the account of the latter's client (clients).

4. With regard to the Clients being foreign legal entities the Trading Member undertakes to monitor compliance of the state where such Client is established with the criteria established in subclauses 1 and 2 of clause 2 of article 51.1 of the Federal Law On Securities Market. If the state where the Client is established ceases to meet the criteria established in subclauses 1 and 2 of clause 2 of article 51.1 of the Federal Law On Securities Market, the Trading Member shall cancel this Client's registration.
5. The Trading Member shall ensure uniqueness and reliability of the codes which it assigns to its Clients on its own, as well as observance of the procedure for such assignment in accordance with requirements provided for in the regulatory legal acts of the RF and the requirements provided for herein.
6. The Trading Member's Client shall be registered within three (3) business days from the date of submission by the Trading Member or the Clearing Organization (if such information on the Client shall be submitted by the Trading Member to the Clearing Organization) to the Stock Exchange of the information on the Client required to register the Client, as well as for the Stock Exchange to keep the Register of the Trading Members' Clients.
7. Brief Client Code shall be assigned to the Client within three (3) business days upon receipt by the Stock Exchange of the notice of the Trading Member containing an offer with regard to such brief client code's composition, or of the Clearing Organization, provided that:
 - the Trading Member is assigned the ID;
 - the Trading Member's Client is assigned the Client Code in accordance with this article of the Rules for Admission;
 - Brief Client Code offered by the Trading Member corresponds to the format (composition of characters) used in the Trading System and is a unique code for this Trading Member.

It is allowed to assign to a Client more than one Brief Client Code. For each Client a one-to-one correspondence of all the Brief Client Codes to the Client's code shall be established.

8. The Client may be assigned more than one Client Code in the cases provided for in the regulatory legal acts of the RF.
9. The Stock Exchange shall inform the Trading Members on assignment of codes to the Clients by means of the notice in an electronic document form pursuant to Electronic Document Circulation Regulations.
10. Brief Client Codes shall be used when the Trading Members submit orders to execute trades in the Trading System.
11. The Stock Exchange is entitled to refuse to register or to cancel itself registration of the Clients, if the requirements established by this section of the Rules for Admission fail to be met.

Article 07.04 Registration of the Trading Member and Its Clients if the Trading Member Executes Trades in the Stock Exchange on Its Own Behalf and on the Account of Funds Posted for Trust Management

1. If a Trading Member executes trades during the trading sessions in the MICEX Stock Exchange on its own behalf and on the account of funds posted for trust management, then the Stock Exchange assigns codes to the Trading Member (Client) taking into account requirements provided for in the regulatory legal acts of the RF.
2. Code of the trustor shall contain information in the format used in the Trading System with the requirements for this format to be determined by the Stock Exchange in accordance with clause 6 of article 07.01 hereof and shall additionally include the sign showing what funds shall represent the object of such trust management.
3. If the Client who is a Qualified Investor acts as a trustor, the trustor's code shall be assigned according to the procedure provided for in article 07.06 hereof.
4. Codes, which the Trading Member is entitled to assign to the Clients in accordance with the requirements of the regulatory legal acts of the RF, shall be submitted to the Stock Exchange by the Trading Member and shall correspond to the format used in the Trading System with the requirements for this format determined by the Stock Exchange pursuant to clause 6 of article 07.01 hereof.

Article 07.05 Additional Requirements to be Imposed on the Trading Member when Registering the Clients, Asset Management Companies, as well as Professional Securities Market Participants Managing Securities for the Benefit of Trustors if the Trading Member Executes Trades in Securities Included in the Quotation List "I" on the Account of the Said Entities

1. If trades in securities included in the Quotation list "I" are executed on the account of Clients (including on the account of clients of brokers (asset management companies) that are Trading Members' clients) then the Trading Members, as well as the brokers who are the said Trading Members' clients shall inform such Clients about the Risk Declaration according to the form approved by the Stock Exchange (the "Risk Declaration").
2. If trades in securities included in the Quotation List "I" are executed by the Trading Member for the benefit of the professional participants of the securities market carrying out activities in managing securities, then an opportunity to acquire securities included in Quotation List "I" shall be directly specified in the investment policy statement by the trustor for whose benefit the said securities are acquired.
3. Information on the Clients having read the Risk Declaration in accordance with this article of the Rules for Admission shall be submitted to the Stock Exchange by the Trading Member and shall correspond to the format used in the Trading System with requirements for such format determined by the Stock Exchange pursuant to clause 6 of article 07.01 hereof.

Article 07.06 Additional Requirements to Be Imposed on the Trading Member when Registering the Clients Considered as Qualified Investors

1. If trades in securities intended for qualified investors are executed on the account of the Clients (including on the account of the clients of the brokers (asset management companies) that are the Trading Members' clients), then the Trading Members when registering such Clients shall put a special mark in accordance with the format used in the Trading System with

the requirements for such format determined by the Stock Exchange in accordance with clause 6 of article 07.01 hereof.

Article 07.07 Submission of Additional Information by the Trading Member when Registering Its Clients

1. If trades in bonds of the Bank of Russia are planned to be executed on the account of the Clients being credit organizations (including on the account of the clients being credit organizations of the brokers considered as credit organizations which are the clients of the Trading Members being credit organizations), then the Trading Member considered as a credit organization when registering such Client may specify the number of the banking license issued to such Client in accordance with the format used in the Trading System with the requirements for such format determined by the Stock Exchange in accordance with clause 6 of article 07.01 hereof.

The Stock Exchange shall check a validity of the number of the banking license issued to such Client considered as a credit organization which is specified by the said Trading Member based on the information on the valid banking licenses posted on the website of the Bank of Russia. If the banking license's number specified by the Trading Member passes the validity control, then such client will be registered with the mark "credit organization".

If when registering the Client the Trading Member fails to specify the number of the banking license issued to such Client, or the said license's number fails to pass the validity control, such Client will be registered with the mark "non-credit organization".

If upon registration by the Stock Exchange of the Client being a credit organization the Bank of Russia cancels or suspends the banking license with its number specified by the Trading Member when registering this Client, then the Trading Member shall submit to the Stock Exchange the relevant information according to the procedure and in the format determined herein. Upon receipt of the relevant information the Stock Exchange shall put for such Client the mark "non-credit organization". The mark "non-credit organization" shall be removed from such Client upon receipt by the Stock Exchange from the Trading Member of the information on renewal of the relevant license.

2. When registering the Clients considered as credit organizations, the Trading Members may specify information whether such Client (including the broker's client who is the Trading Member's client) has a banking license to carry out bank operations in funds in Russian rubles and foreign currency. When registering such Clients, the Trading Members may put a special mark according to the format used in the Trading System with the requirements for such format determined by the Stock Exchange in accordance with clause 2 of article 07.01 hereof.

Article 07.08 Building up the Register of the Trading Members and the Trading Members' Authorized Employees and the Register of the Trading Members' Clients

1. The Stock Exchange shall keep in electronic form the Register of the Trading Members and the Trading Members' Authorized Employees performing operations for the Trading Members, as well as the Register of the Trading Members' Clients.
2. Register of the Trading Members and the Trading Members' Authorized Employees performing operations for the Trading Members, Register of the Trading Members' Clients shall contain the data provided for in the regulatory legal acts of the RF.

Article 07.09 Protection of Interests of the Trading Members' Clients

1. The Trading Members are prohibited to perform any actions misleading their Clients, including submission of inaccurate reports and other unreliable information. It is of no importance, if the Client has been actually misled.

SECTION 08. MARKET MAKERS

Article 08.01 Market Maker Status

1. Market Maker status may be granted to the Trading Member based on an agreement concluded between the Stock Exchange and the Trading Member that determines a procedure and conditions for maintaining quotes, demand, supply and (or) volume of trading in securities (the “Market Maker Agreement”).
2. Termination of the Market Maker Agreement shall entail cancellation of the Market Maker status.

Article 08.02 Conditions and Procedure for the Market Maker Status to Be Granted

1. The Trading Member may be granted the Market Maker status with regard to one or more securities in one or more Market Sectors.
2. The Trading Member shall conclude the Market Maker Agreement with the Stock Exchange separately for each security or for several securities in one or more Market Sectors.
3. The Stock Exchange is entitled to pay remuneration to the Trading Member in accordance with article 08.06 hereof for performance of the Market Maker’s obligations. Amount of such remuneration and its payment procedure shall be determined in the Market Maker Agreement.

Article 08.03 Termination of the Market Maker’s Functions

1. If trading is suspended or terminated in accordance with the requirements of the Stock Exchange’s internal documents and/or the regulatory legal acts of the RF, then performance of Market Maker’s functions and its obligations under the Market Maker Agreement shall be suspended for the period of trading suspension or shall be terminated.
2. If admission to trading of the Trading Member having concluded the Market Maker Agreement is suspended or terminated, then performance of the Market Maker’s functions and obligations under the Market Maker Agreement shall be suspended for the period of suspension of admission to trading of this Trading Member or shall be terminated.
3. The Stock Exchange may decide to permit another Market Maker Agreement to be executed with the Trading Member with which the Market Maker Agreement had been terminated formerly.

Article 08.04 Rights and Obligations of the Market Maker

1. The Market Maker is entitled:
 - a) to provide the Stock Exchange with the data on its company to be used by the Stock Exchange while disclosing/submitting information on Market Makers;
 - b) to receive remuneration for performing the Market Maker’s obligations in accordance with article 08.06 hereof;
 - c) to use benefits, if such benefits are granted to the Trading Member subject to the Stock Exchange’s decision for performing the Market Maker’s obligations;
 - d) to exercise other rights provided for in the Stock Exchange’s internal documents.
2. The Market Maker is obliged to:
 - a) perform in good faith the Market Maker’s obligations provided for in these Rules for

Admission, the Trading Rules with regard to the securities selected by this Market Maker;

- b) in order to properly perform the Market Maker's obligations, submit relevant orders in the Trading System specifying that such orders have been submitted when performing the Market Maker's obligations in accordance with the Stock Exchange's internal documents;
- c) observe the requirements of these Rules for Admission, the Trading Rules and other internal documents of the Stock Exchange.

Article 08.05 Market Maker's Liabilities

1. Market Maker's liabilities are established and controlled according to the procedure provided for in the Trading Rules.

Article 08.06 Market Maker's Remuneration

1. Remuneration for performing the Market Making functions shall be paid to the Market Maker at the end of each calendar month according to the procedure established by the Market Maker Agreement, unless otherwise established by the Exchange.
2. In case of early termination of the Market Maker Agreement remuneration for the incomplete calendar month shall be paid pro rata to the number of trading days when the Market Maker was performing its liabilities, unless otherwise stipulated in the Market Maker Agreement.

Article 08.07 Disclosure and Submission of Information

1. Within three (3) business days from the time of execution, amendment or termination of the Market Maker Agreement the Stock Exchange shall disclose information on performance by the Trading Member of the Market Maker's functions to the extent provided for in the regulatory acts of the RF, on its website:
2. Within five (5) business days from the time of execution, amendment or termination of the Market Maker Agreement the Stock Exchange shall give the notice to the authorized federal executive body including information of performance of the Market Maker's functions by the Trading Member to the extent provided for in the regulatory acts of the RF.
3. The Trading Member having concluded the agreement on maintenance of prices for issue-grade securities with an issuer (the "Agreement with the Issuer") shall submit to the Stock Exchange the information on conclusion of the said agreement to the extent provided for in the regulatory acts of the RF.

Information provided for in this clause shall be submitted by the Trading Member to the Stock Exchange at least three (3) business days prior to the day preceding the date when the Trading Member starts to maintain quotes for issue-grade securities according to the Agreement with the Issuer.

If the Agreement with the Issuer is amended or terminated prior to its expiration date, this information shall be submitted by the Trading Member to the Stock Exchange within three (3) business days from the date of amendment or termination of the said agreement.

4. Within three (3) business days from the date of receipt of the information specified in clause 3 of this article the Stock Exchange shall disclose information on the Agreements with Issuers executed by the Trading Members on its website to the extent provided for in the regulatory

SECTION 09. CONTROL OVER THE TRADING PARTICIPANTS

Article 09.01 Conditions of Control

1. The Trading Members shall be controlled by means of collection and analysis of the financial and other statements and information submitted by the Trading Members in accordance with the regulatory legal acts of the RF, as well as the Stock Exchange's internal documents, information on the material facts and events specified in the regulatory legal acts of the RF.
2. For the Stock Exchange to effect such control in addition to the requirements with regard to provision of information and statements provided for in these Rules for Admission, the Trading Member shall also meet the requirements to submit to the Stock Exchange the following:
 - a) statements and information with regard to the executed (settled) trades established by the regulatory legal acts of the RF (for the Trading Member who is a professional participant of the securities market);
 - b) duly certified copies of the documents proving the powers of the Trading Member's officials to sign any documents on behalf of such Trading Member, as well as the documents proving the specimen signatures of such officers.
 - c) balance sheet of the Bank of Russia (for the Bank of Russia).

Article 09.02 Procedure for Provision of Information and Statements for the Purposes of Control

1. Composition of the information and statements provided for in this section of the Rules for Admission, as well as forms of and periods for their submission shall be determined by the Procedure for Provision of Information and Statements approved by the Stock Exchange.

SECTION 10. DISCIPLINARY MEASURES

Article 10.01 Disciplinary Measures Applied to the Trading Members

1. The Stock Exchange, as an organizer of trading in securities performing control in accordance with the requirements of the regulatory legal acts of the RF, may apply the following disciplinary measures to the Trading Members having violated the laws of the Russian Federation and other regulatory legal acts of the Russian Federation, as well as the Stock Exchange's internal documents:
 - a) warning;
 - b) suspension of admission to trading, including in certain Market Sectors/certain trading modes;
 - c) termination of admission to trading, including in certain Market Sectors/in certain trading modes;
 - d) to revoke the status of the Trading Member.
2. The warning means the disciplinary measure to be applied to the Trading Member for the violations provided for in the Stock Exchange's internal documents which entailed no damages to other Trading Members and the Stock Exchange.

The warning shall be announced in writing by the Stock Exchange's decision fixing the period for removal of the discovered violations, as well as specifying the consequences which may occur for the violator, namely the Trading Member, in case of the Trading Member's failure to remove or to remove in time the said violations.
3. Suspension of admission to trading, including in certain Sectors/certain trading modes provided for in the Trading Rules means the disciplinary measure to be applied to the Trading Members in the cases provided for in the Stock Exchange's internal documents by the Stock Exchange's decision for the violations provided for in the Stock Exchange's internal documents.
4. Termination of admission to trading means the disciplinary measure to be applied to the Trading Members in the cases provided for in the Stock Exchange's internal documents for the violations provided for in the internal documents of the Stock Exchange.
5. Revoking the status of the MICEX Stock Exchange Trading Member means the disciplinary measure applied to the Trading Member in the cases provided for in the Stock Exchange's internal documents. The said measure may be applied in the cases entailing the impossibility for the company to continue the status of the Trading Member (gross violation of its obligations by the Trading Member, revocation (withdrawal) of licenses, declaration of bankruptcy, winding-up of the company as a legal entity and other cases provided for in the Stock Exchange's internal documents).
6. Disciplinary measures provided for herein shall be applied in accordance with the Stock Exchange's internal documents with regard to all the Trading Members. Resolution, whether to apply disciplinary measures considering the powers provided for in the Stock Exchange's internal documents, may be passed by the following bodies:
 - a) the MICEX Stock Exchange Board of Directors;
 - b) the MICEX Stock Exchange General Director or the person authorized by the latter;
 - c) the MICEX Stock Exchange Disciplinary Committee (in accordance with the

Regulations on Disciplinary Committee of Closed Joint-Stock Company MICEX Stock Exchange).

7. Information on application of the respective disciplinary measures with regard to the Trading Members for the violations committed by them and provided for in the Stock Exchange's internal documents shall be disclosed on the Stock Exchange website within three (3) days from the date of the resolution.
8. The Trading Member shall be given a written notice of any disciplinary measure to be applied to it. The notice shall be sent no later than one (1) business day after the date when the Stock Exchange took the respective decision.
9. If the Trading Member violates the requirements of the laws of the Russian Federation and other of the Russian Federation, these Rules for Admission, other internal documents of the Stock Exchange, as well as the established dispute resolution procedure, violation of the obligations assumed by the Trading Member when included in the MICEX Stock Exchange Trading Members list in accordance with its application and when concluding agreements with the Stock Exchange, non-execution of the decisions taken in compliance with the said documents, sanctions provided for herein may be applied to this Trading Member.

Article 10.02 Requirements for the Candidates and the Trading Members Aimed at Conducting Professional Activities in Good Faith

1. The Trading Members and the Candidates shall in good faith conduct their professional activities on the MICEX Stock Exchange and refrain from unjustified written and/or oral requests, petitions, complaints and other actions entailing negative consequences for other Trading Members and their Clients, Candidates, as well as for the Stock Exchange (the "Inequitable Conduct").
2. Conflicts mean the situations which may arise among the Trading Members, as well as between the Trading Member (Participants) and the MICEX Stock Exchange in case of violation of the Stock Exchange's internal documents or in connection therewith, as well as in connection with conclusion of transactions on the MICEX Stock Exchange (the "Conflicts").
3. In case of Conflicts the Trading Members and the Candidates are obliged to perform all the possible actions to resolve such Conflicts by negotiations in compliance with the principles of civility, mutual respect and trust, excluding any prejudgement, unjustified criticism, as well as unjustified written and/or oral requests, petitions, complaints and/or public distribution of the information discrediting the partners' business reputation.
4. Inequitable Conduct of the Trading Members and the Candidates, as well as their non-observance of the conflict resolution procedure shall be considered as a violation hereof and shall entail the following:
 - application of the disciplinary measures to the Trading Members provided for in this section of the Rules for admission;
 - refusal to include the Candidate in the MICEX Stock Exchange Trading Members list.

Article 10.03 Conflict Resolution Procedure

1. Conflicts among the Trading Members, as well as between the Trading Member (Participants) and the MICEX Stock Exchange which may arise in case of violation of the Stock Exchange's internal documents or in connection therewith, as well as in connection with conclusion of

trades in the MICEX Stock Exchange or in case of Inadequate Conduct of the Trading Member, or in connection with violation by the Candidate for the MICEX Stock Exchange Trading Members of the Stock Exchange's internal documents, shall be referred to the MICEX Stock Exchange Disciplinary Committee.

2. Procedure for formation of the MICEX Stock Exchange Disciplinary Committee, its key purposes and objectives, as well as its functions are determined in the Regulations on Disciplinary Committee of Closed Joint-Stock Company MICEX Stock Exchange disclosed on the Stock Exchange website.
3. The MICEX Stock Exchange Disciplinary Committee shall consider Conflicts on the basis of an application submitted by the Trading Members.
4. The MICEX Stock Exchange Disciplinary Committee shall consider the application received in connection with Conflicts within thirty (30) business days from the date of receipt of the respective application. If the submitted documents are insufficient to consider the Conflict, additional documents may also be requested. In this case the period fixed for consideration of the application filed in connection with the Conflict shall be extended for the period required to receive additional documents.
5. If the Conflict failed to be settled by the MICEX Stock Exchange Disciplinary Committee, arisen disputes and disagreements shall be resolved by the Arbitration Committee for Open Joint Stock Company MICEX-RTS (the "Arbitration Committee") (for trades executed in the Main Market Sector) or NAUFOR (National Association of Securities Market Participants) Arbitration in accordance with its Rules valid as of the date of filing of the statement of claim (for trades executed in the Standard Sector and the Classica Sector).

SECTION 11. DISPUTE RESOLUTION PROCEDURE AND ACTIONS OF THE TRADING PARTICIPANT IN VIEW OF DISPUTE RESOLUTION

Article 11.01 Consideration of Disputes

1. All the disputes and disagreements arising out of a trade or trades executed during the trading sessions of Closed Joint-Stock Company MICEX Stock Exchange in the Main Market Sector, including related to settlement, violation, termination, declaring invalid (void or unexecuted) of this trade (trades), arisen between the Trading Members and/or the Trading Member and the Stock Exchange, and/or between the Trading Member and the Clearing Organization, and/or between the Trading Member and the Technical Centre, and/or between the Trading Member and the SEDC Organizer shall be resolved by the Arbitration Committee in accordance with the documents determining its legal status and dispute resolution procedure valid as of the date of filing of the statement of claim.
2. All disputes and disagreements arising out of a trade or trades executed during the trading sessions of Closed Joint-Stock Company MICEX Stock Exchange in the Standard Sector and the Classica Sector, including related to settlement, violation, termination, declaring invalid (void or unexecuted) of this trade (trades), arisen between the Trading Members and/or the Trading Member and the Stock Exchange, and/or between the Trading Member and the Clearing Organization, and/or between the Trading Member and the Technical Centre, and/or between the Trading Member and the SEDC Organizer shall be resolved by NAUFOR Arbitration in accordance with its Rules valid as of the date of filing of the statement of claim.
3. Decisions of Arbitration Courts shall be deemed final and binding on the Trading Members.
4. Any decision of Arbitration Courts not executed voluntarily is subject to be enforced according to the laws of the Russian Federation or laws of a country where such decision is enforced and international covenants.

Article 11.02 Obligation of the Trading Member to Contribute to Fast and Fair Resolution of Disputes

1. The Trading Member shall make every effort to resolve any arisen dispute as far as practicable. For this purpose the Trading Member shall perform the actions required to form the court as soon as possible, ensure timely submission to the court of its presentation of the case, evidence and other documents and/or materials necessary to consider the dispute.
2. The Trading Members shall abstain from performing the actions intended to extend without cause consideration of disputes in Arbitration Courts.

Article 11.03 Obligation of the Trading Member to Contribute to Conclusion and Performance of Amicable Agreement

1. If a dispute is referred to Arbitration Courts, the Trading Member shall make every effort to contribute to resolution of such dispute by means of conclusion of an amicable agreement.
2. If the trial leads to conclusion of an amicable agreement, the Trading Member shall in good faith and strictly perform the concluded amicable agreement.

Article 11.04 Obligation of the Trading Member to Contribute to the Fastest Execution of Decisions and Rulings of Arbitration Courts

1. The Trading Member shall as far as possible and voluntarily execute any decision and/or ruling rendered by Arbitration Courts.

2. The Trading Member shall abstain from performing the actions intended to extend without cause execution of the decisions and/or rulings rendered by Arbitration Courts.
